INTERSCHOLASTIC STANDING.

The fourth game of the High School series yesterday ended in a victory for Central over Business by 17 to 0. The game was hotly contested throughout, but the best team won. Central walked through the Stenographers' line in the first two periods, but when they attempted to do so in the third chapter they were met with a strong defense. The Business ends were weak in the first period, but they did better as the game progressed and when the whistle sounded they were setting the Central lads back for losses. Business made a great stand in the last part of the fourth period when Central had the oval on their 1-yard line, and the Stenographers held them for downs. Early in the last period the Stenog-

raphers made a bid for a score when they carried the ball down to within 30 yards of the Blue and White goal, and then los it on a fumble. Warner, Central's big left guard, put up the finest defensive game that was ever seen on that field Business' backs showed plenty of speed but the interference was weak, For the losers, Zappone was easily the star, and was in every play.

Fumble Costly to Business. The game started off by King booting he oval to Boe, who fumbled, and Hamiton fell on it on Business' 25-yard line, Hamilton then worked a forward pass to Huntt for a gain of 20 yards, and on for the first score of the game. King

covered the oval for Business. Scott on the ball. Hamilton went around end then Reuter followed suit. The ball was Business' 22-yard line when the

Score, Central, 10; Business, 0. King then kicked off to Rathbone, who had a flying start and succeeded in going 30 yards before being stopped. Wilson on the next play fumbled Rathbone's forward pass, and Dyson recovered the ball for Central. After line plunges which netted only a few yards, Hamilton punted to Scott, but the ball sailed out of bounds. Scott punted on the next lineup to Van Dyne, but he was downed in his tracks. Molineu Drops Ball.

Hamilton punted to Molineau, who fumoled the oval and King recovered the ball for Central. Molineau made up for his fumble on the next play, when he intercepted a forward pass and carried the oval 15 yards before he was brought to earth. The oval was then on Business' kick, but he did not raise the oval high neo enough and the attempt was blocked. Herald. Disney fell on the ball and had he rolled over on his back he would have saved Business from a safety. Score: Central, 12; Business, 0. Scott then punted from the 25-yard line to Hamilton, who was downed after he had carried the oval 15 yards.
